

The purpose of the Ministry of Education's International Private School Inspection is to ascertain whether the instruction in secondary school courses is being delivered in compliance with the Ministry of Education requirements. The structure of the courses, the delivery of the curriculum expectations, the assessment and evaluation strategies and the work of the students must be congruent with Ontario Schools, Kindergarten to Grade 12, Policy and Program Requirements (OS K-12) 2016, Growing Success, 2010, Ontario Student Record (OSR) Guideline, 2020, Ontario Student Transcript (OST) Manual 2013, curriculum documents and applicable Policy/Program Memoranda. The Ministry of Education's International Private School Inspection report is based on evidence gathered through the review of pre-inspection materials and discussions with the principal and other school staff. Information is also gathered through the review of students' work and examination of school policies/procedures.
